

Paluo Solar Energy (America) Inc.

Forklift Driver

Pay Range: \$20-\$26 per hour (DOE)

What we are looking for!

Here at Paluo Solar, we are putting a high priority on having safe, clean, and healthy workspaces. And we want individuals that take that seriously.

A Forklift Driver is responsible for moving goods, loaded pallets and equipment safely and securely. In addition to driving forklifts, a Forklift Driver also has a range of other warehouse duties such as packaging shipments or checking inventories.

A Forklift Driver's primary duties and responsibilities include:

- Maneuvering forklifts safely in busy manufacturing environment
- Safely stacking and unstacking large quantities of materials & equipment onto shelves or pallets
- Moving materials & goods from storage areas to loading areas for transport
- Unloading deliveries and safely relocating the materials & equipment to their designated storage areas
- Ensuring that forklift driving areas are free from spills or obstructions
- Regularly checking forklift equipment for faults or damages
- Using industrial plastic wraps and wooden pallets to safely stack and package goods for transport
- Keeping up to date on health and safety requirements and forklift operating procedures
- Utilizing designated PPE to work safely
- Consolidating partial pallets for incoming goods

Paluo Solar Energy (America) Inc.

Requirements:

- Candidates with a high school diploma or equivalent, and 3-5 years of related forklift driving experience
- Understand basic math, simple instructions, training materials, and product labeling.
- Work different ranges of hours such as full-time, overtime, or weekend shifts (12 – hour shifts are projected)
- Be a team player and interact professionally with co-workers
- Must be able to lift up to fifty (50) lbs. unassisted
