Job Description - Animal Caregiver

Our Philosophy

We seek staff who thrive on bestowing all animals with the best possible care our resources permit; who will show compassion and understanding to every animal and person who comes our way; who will perform tasks in an effective and efficient manner; who will conduct themselves in ways that will create a positive work environment that will be beneficial to the animals we serve, to the public and to each other.

Job Title: Animal Caregiver

Reports To: Animal Care Supervisor

General Description of Position: An Animal Caregiver is responsible for the care and well-being of the animals in their care. They are responsible for the cleanliness, disinfection and overall appearance of the kennel, cattery, and isolation areas.

Job Requirements/Physical Demands: Ability to lift and carry 50 pounds; bend and reach; control large dogs on a leash; work with a variety of cleaning agents, work in an environment with daily changes in climate.

Responsibilities:

- Assist in the performance of the daily kennel, cattery, and/or Isolation routines.
- Perform daily sanitation of kennels, cattery and isolation area according to Humane Society of Central Arizona policies and procedures.
- Assure all animals are cared for with food, water, daily exercise and appropriate living conditions.
- Monitor health of animals and report any issues to the Directors.
- Carry out implemented behavior and kennel enrichment programs.
- Assist in conducting behavior assessment and health screening on incoming animals.

- Carry out other duties assigned by the Directors
